## Preamble

This Bukhara State University – VATEL course catalogue describes the courses where knowledge and skills required to obtain the level II State-certified degree in “International Hotel Management” are explained in the document filed at the French National Commission of Professional Certifications and Bachelor degree in Uzbekistan higher education system.

The present course catalogue is an integral part of our BSU-Vatel “International Hotel Management” degree program, and because of this, no exceptions whatsoever can be made, unless a Vatel School Director makes a specific request to Vatel Corporate, who reserves the right to accept or decline this request.

The BSU-Vatel course catalogue constitutes the mandatory prerequisites and Vatel Schools are free to add subjects that they would like to or which could be imposed by local legislation.
