

English for Biology Students

BUXORO DAVLAT UNIVERSITETI
TABIIY Y'ONALISHLARDA FAKULTETLARARO CHET TILI
KAFEDRASI

English for Biology Students

Bakalavr talabalari uchun o`quv-usuliy qo`llanma

BUXORO – 2016

English for Biology Students

(biologiya ta'lim y'onalishi uchun o'quv-usuliy qo'llanma)

English for Biology Students

Tuzuvchilar:

Fakultetlararo chet tillar kafedrasini
mudiri, dotsent M.N.Hikmatova,
o'qituvchi N.M.Ochilova

Taqrizchilar:

BuxTI" Tillar" kafedrasini katta o'qituvchisi
G.M.Jabborova, Fakultetlararo chet tillar
kafedrasini katta o'qituvchisi O'.H.Mavlonov

Contents.....	3-5
Preface.....	4
Unit I. Biology.	
Text 1. What is Biology?.....	3-8
Text 2. Cell Theory	9-12
Text 3. A drop of blood	13-16
Text 4. Molds	17-19
Text 5. Tigers	20-24
Text 6. Simple Spiders	25-27
Unit II. Plants.	
Text 7. Structure and transport in plants	28-32
Text 8. Changes in plants	33-36
Text 9. The Stem	37-41
Text 10. The Living Giants	42-45
Text 11. Photosynthesis	46-51
Unit III. Environmental control.	
Text 12. Biosphere. Ecology	52-55
Text 13. Land pollution. Air pollution.....	56-59
Text 14. Fighting land pollution. Other kinds of pollution	60-63
Text 15. Cleaning the water. Polluting the water.	64-66
Text 16. SOS – Save our seas	65-68
Unit IV. Famous scientists.	
Text 17. Louis Pasteur	69-72
Text 18. Gregor Mendel	73-76
Text 19. Vladimir Vernadsky	77-80
Text 20. Ivan Pavlov	81-85
The glossary of biology terms.....	86-90
Phrases for oral using	91-92
References	92-9

Annotatsiya

Ushbu o'quv-usuliy qo'llanma nofilologik bakalavr talabalarining biologiya yo'nalishiga m'oljallangan. Qo'llanma matn, unga doir og'zaki va yozma rivojlantirish uchun mashqlarni o'z ichiga qamrab olgan. Qo'shimcha sifatida biologik terminlar va og'zaki nutqda qo'llaniladigan frazalar ham berilgan.

Annotation

This textbook is intended for students of bachelor degree for Biology direction. The book consists of texts, oral and writing activities to improve both skills. In addition to language practice are provided with biology terms, and phrases for conversational use.

Аннотация

Пособие предназначено для учащихся бакалавр студентов в биологическом направлении. Данное пособие включает в себя тексты и лексические упражнения для развития устных и письменных навыков. В добавлении биологические термины и фразы для устной речи.
