Kholikov L.M.

Systematic analysis of ideological processes. Textbook. L.M. Kholikov.
–T.: “Dimal” publishing house, 2024 -112 p.

In this study guide, it is revealed that the high spirituality of our people formed over the centuries, traditions, and the immortal heritage of our great-grandfathers are important for today.

The manual is intended for researchers working in the education system of our country, students and young people, as well as general readers who are interested in the process of strategic reforms being carried out in our country.
